

PACIFIC NORTHWEST CLASSIC BY BEAVER COACH SALES PARKING INFORMATION

- Please plan your arrival early enough to park and get checked in 30 minutes early.
- Parking areas are designated by numbers. Each area will have one or more signs with instructions for contacting the shuttle for pickup.
- If possible, please drop your passengers and gear near the main entrance to the PNP courts where the Check In desk is located.
- Find a parking spot, contact the shuttle operator at 541-408-5198.

- Give a description of your vehicle and your parking area number. Wait by your vehicle or tell the shuttle operator where you will be waiting.
- Please be patient. We have two shuttles and they will respond to pickup requests in the order received. If a shuttle drives by you, it is likely they are headed to an earlier pickup.
