

Marion Anderson

Candidate for Bend Pickleball Club “Director of Court Utilization” 3 Year Term

I, Marion Anderson, have been a Bend Pickleball Club member since June 2021. After getting my 3.0 rating, I volunteered to start and organize a 3.0 Round Robin as its first Captain. In addition, I created and Captain the 3.0/3.5 Round Robin and the Winter League (all levels) Round Robin. In June 2024, I was appointed the position of BPC Director at Large #2. My duties included being a voice for RR members, a vote at Board Meetings, monthly new member name badge orders and monthly updates of the BPC Kiosk in front of the courts. I have worked with other board members with duties such as writing board meeting minutes, assisting at BPC events, and collaborating with the BPC Directors of Membership and Court Utilization for best use of the courts for RR play. I am at the courts as Captain and/or player Monday through Friday, 2 hours for Winter League and 4 hours for Season Play each day. I play PB with the members, talk and listen to them, try to resolve questions or Court Reserve problems, and even include visitors to Bend to join our RRs if there is availability. The Director of Court Utilization should be present and in the know about what is happening on the courts during Round Robin sessions and that is why I feel this makes me well qualified for the position of Director of Court Utilization.

Thank You, Marion
